Preventing Incidents & Accidents for Safer Ships in the Oceans

PICASSO Project Final Conference

Open Day: sharing results with the maritime community

Wednesday, 23rd of May 2018 (09:00 – 17:00)

Venue: Centro Jovellanos

Address: Camín del Centro de Salvamento 279, Gijón, Asturias, Spain

<https://goo.gl/maps/tktSJVVgUHp>

Join us in the beautiful city of Gijón and share the results from almost two years of work with maritime safety and security within the PICASSO – Preventing Incidents & Accidents for Safer Ships in the Oceans. Presentations and demonstrations will bring the ideas and solutions to life.

AGENDA

08:30: Bus departure from the Silken hotel

09:00 – 09:15: Registration

09:15 – 09:30: Welcoming speech, Julián Camus (*Director of Centro Jovellanos/SASEMAR*), Carmen Librero (*Transport Secretary of State, tbc*) and local authorities.

09:30 – 09:45 PICASSO Project presentation, Pepe Diaz (*Centro Jovellanos/SASEMAR*)
